

## Consent to Publish for Contributors to Conference Proceedings

The Consent to Publish form ensures that the Publisher has the author's permission to publish the Work.

Title of Contribution

---

Author(s)

---

International Symposia on Advances in Structural Engineering (ISASE 2026)

---

1. The Author hereby grants to the Publisher exclusive publishing rights in the Contribution and its content by way of licence for the duration of this Agreement in all forms whether now known or hereafter devised, including but not limited to online digital volume form, printed volume form and in other media including microfiche, CD-ROM, on-line electronic networks, electronic or paper-based document delivery services and other suitable media for publication of information contained in the Work, and including the exclusive right to license third party publishers and other organizations to exercise all or any of such rights, subject to the extent that individual Works (as defined above) within the Conference Proceedings may be reproduced under licence from a third party.

2. The Author retains the right to republish the Contribution or parts of it in any printed collection consisting solely of the Author's own Works without charge and subject only to notifying the Publisher of the intent to do so and ensuring that the publication by the Publisher is properly credited and that the relevant copyright notice is repeated verbatim.

3. The Author warrants that:

- A) The Author is the sole legal and beneficial owner without encumbrances of the copyright in the Contribution or, to the extent that you the Author is not, the Author has obtained all necessary permissions for the Publisher in accordance with this Agreement;
- B) The Author has full power and authority to make this Agreement (including the rights granted to the Publisher) and are not in breach of any law or other agreement in entering into it;
- C) the Contribution is original, the Author is its sole author (except for material in the public domain, and material included with written permission of the copyright owners in compliance with this Agreement), it has not previously been published in any form and it does not violate or infringe any existing copyright, moral rights, other intellectual property rights or licence, or any other right of any person or party; and

- D) the Contribution contains nothing defamatory, maliciously false, injurious, obscene, in contempt of court, which constitutes a misuse of private information or breach of confidence, or otherwise unlawful or that could reasonably be expected to result in liability for the Author or the Publisher.
- E) all statements in the Contribution purporting to be facts are, to the best of your knowledge and belief, true, complete and not misleading;

4. The Author declares that any person named as co-author of the Contribution is aware of the fact and has agreed to being so named.

5. The Author declares that, if the Consent to Publish form has been downloaded from the Publisher's website or sent by e-mail, the form has not been changed in any way without the knowledge of the Publisher.

To be signed by the Author, also on behalf of any co-authors.
